

LVGC Garden Club Member Seeks Long-Term Rental Housing

Your Member At Large Cari Wineberg would like to put the word out that she and her family (3 adults altogether, plus a very affable cat) are looking for a long-term, stable rental situation in the next few months. We'd prefer a main-floor suite in Lynn Valley, or a small house—3 br ideal. As a professional gardener, I would maintain the garden. Please call Cari at 984-4433 if you know of/hear of anything. Thank you!
