

From: Richard Gordon Message: Attn: President,

We manufacture the NEW Soft Foam Twist Tie Multi Purpose garden Wire in 17' + 55' lengths for the avid gardener.

This product is great for staking trees , plants, shrubs, tomato plants, vines etc.

We would like to make our new Twist Ties available for all of your members at wholesale pricing.

If interested we could forward samples with brochures and contact information to your attention.

Our web site to view is www.leisureproductscanada.com Please note you might have to type in our web site.

If interested please let us know.

Regards

Richard Gordon
